

Do you have to take the Biology EOC Exam?

Tutoring is available for you!

After School Session Rm. 205 Time: 2:45-4:00 PM

Sessions	Topic
(12/5) Monday	Microscope/Experimental Design
(12/12) Monday	Bio-molecules, dehydration synthesis, hydrolysis
(1/2) Monday	Photosynthesis/cellular respiration
(1/9) Monday	Mitosis/Meiosis
2nd SEMESTER	2nd SEMESTER
(1/23) Monday	Microscope
(1/25) Wednesday	Experimental Design
(1/30) Monday	Bio-molecules
(2/1) Wednesday	Dehydration synthesis, hydrolysis
(2/6) Monday	Photosynthesis
(2/8) Wednesday	Cellular Respiration
(2/13) Monday	Mitosis
(2/15) Wednesday	Meiosis
(2/27) Monday	DNA/RNA and Proteins
(2/29) Wednesday	Mendelian Genetics/ Gene tech.
(3/5) Monday	Classification
(3/7) Wednesday	Plant structure and Evolution
(3/19) Monday	Human Biology
(3/21) Wednesday	Ecology-A
(4/2) Monday	Cell Structure
(4/4) Wednesday	Ecology - B
(4/9) Monday	Comprehensive Review
(4/11) Wednesday	Comprehensive Review
(4/16) Monday	Comprehensive Review

Saturday Sessions Rm. 205 Time: **Session A** 9:00-9:55 AM **Session B** 10:05-11:00 AM

Date SESSION – A SESSION - B

(1/28)	Mitosis	Meiosis
(2/4)	DNA/RNA proteins	Mendelian Genetics
(2/11)	Classification	Evolution
(2/25)	Plant Classification	Human Biology
(3/24)	Ecology A	Ecology B
(4/7)	Cell structure	Gene Technology
(4/14)	Comprehensive Review	Comprehensive Review
